We are a full-service Barbados Law Firm and Trade Mark Agent located in Bridgetown, Barbados, with affiliates throughout the Caribbean. We also offer company formation (domestic and international), regulation and maintenance through our Corporate Service Division, InterCaribbean Corporate Services

WHY US

With the growing need for family offices, we work in conjunction with wealth managers, private banks, tax planners and real estate agents to provide specialised services to suit our clients' needs.

OUR CLIENTS

Multinational corporations and local businesses - including major financial institutions; insurance companies; trust services companies; High Net Worth Individuals and various property developers operating in Barbados.

OUR AFFILIATES

InterCaribbean Legal offers Corporate Services (domestic and international), regulation and maintenance through our affiliate InterCaribbean Corporate Services Ltd. Additional affiliates include law firms and compliance specialists not only in Barbados but regionally and internationally.

PROPERTY SALE & DEVELOPMENT

Our practice involves a wide range of activities focusing on sales and acquisitions, title and the development and financing of real estate. We represent buyers and sellers in the purchase and sale of luxury residential and commercial real estate, and guide clients through the process of land development - from obtaining the necessary government approvals to the preparation of construction and development contracts, and the sale of units.

REAL ESTATE

Real Estate is a substantial part of our legal portfolio. We have worked closely with the island's top Real Estate agencies and individuals, providing legal guidance for new developments, hotels, office buildings, utility projects and residential accommodations.

MARITIME LAW

Maritime law refers to the commercial and regulatory framework dealing with maritime vessels and the shipping industry. We advise clients on contracts, international sale contracts and insurance. We have advised and acted on behalf of clients seeking to secure and enforce their claims within the jurisdiction.

INTELLECTUAL PROPERTY

We work closely with the Barbados Corporate Affairs and Intellectual Property Office, to ensure your intellectual assets are securely protected. Your inventions and ideas are our business. Keeping your Patents, Trademarks and Copyright safeguarded.

IMMIGRATION

We have experience in immigration law for both individuals and corporations regionally and internationally. The applications include short term and long term work permits and applications for residency and citizenship.

CROSS BORDER TRANSACTIONS

Providing guidance on mental capacity applications, enforcements of foreign judgments, cross border estates and succession.

BANKING & FINANCE

Whether representing the borrower or the lender, it is essential to have a thorough understanding of the regulatory and financial framework to ensure that your client is protected and the correct documentation is completed in loan transactions. We have engaged in both simple loans and sophisticated financial structures in the domestic and international markets.

WILL WRITING, PROBATE & ADMINISTRATION

Estate planning is essential to safeguarding the future financial interests of your family and your business. We have considerable knowledge and experience in all aspects of estate planning, from the drafting of wills and other dispositions, to the probate of wills and administration of estates. We also have significant experience in cross border estate planning.

TRUST & ESTATE PLANNING

Providing comprehensive wealth management solutions for discerning investors in Barbados. We have extensive experience in Foundations, Captive Insurance, IBC's, Trusts, Bilateral Treaties and Double Taxation Benefits.

REGULATORY & COMPLIANCE

Our trained and experienced team will guide you in ensuring your business complies with our financial services regulatory and guidelines, anti-money laundering requirements and guidelines and central applications whether in areas of insurance and pensions, mutual funds or other financial investments.
